

Merit Badges Policy

Scouts ready to work on Merit Badges must gain the approval of the **Scoutmaster**. The Scoutmaster will issue the Scout a Blue Merit Badge card.

Once approval has been obtained, the **Advancement Chairman** will assist the Scout in finding a Merit Badge Counselor.

It is the responsibility of the Scout to contact the Counselor and make arrangements for meetings.

This should be done with the buddy system in mind No Scout should meet with a Counselor without another person being with them.

All incomplete and complete Blue Merit Badge cards should be returned to the **Advancement Chairman**.
